ePoster instructions

What is an ePoster?

An ePoster is an electronic poster displayed on widescreen instead of printed on paper and installed on a board as a traditional poster.

What formats can I use?

Only material in *.ppt (pptx) can be accepted. Format: see a template. Hyperlinks, animated images, animations and animated slide transitions are not permitted for ePosters and will be non-functioning.

Are there any limitations of my ePoster?

Maximum 1 page/slide can be uploaded. English language is obligatory.

How is my ePoster being displayed?

All ePosters will be displayed during the entire conference in the poster area near the Conference Hall. The ePosters will be displayed on user friendly widescreen available for ePosters only.

Besides being displayed onsite during the whole conference, Poster Session will take place at exact time and each ePoster will have its own exact timeslot for presentation by author(s).

Search criteria

The ePosters can be looked up by poster number, title, or author name.

How can I upload/send my ePoster?

ePosters should be uploaded in specified format (ppt, pptx) using your ID and password at https://ntad.lf.tuke.sk/ before November 19, 2023, 23.59 CET. ePosters that won´t be uploaded comply with the above date may be removed.
